Expat Financial / TFG Global Insurance Solutions Ltd.

We provide international insurance solutions for the Oil Industry. You can get quotes from our firm for international life, health, disability, AD&D and evacuation insurance on both an individual and group basis. We are a leader in providing international insurance solutions to companies and individuals around the world. If you are sending employees overseas for work, please contact us to discuss your insurance needs. We also provide special risk insurance plans for companies operating in high risk regions. Our firm only deals with highly respected and secure insurance companies and can access the entire market for your firm. We can even cover third country nationals. We do not charge a fee as we work as an insurance broker as we are compensated by the insurer you choose.
